

ANATOMICAL WAX MODEL OF SKULL AND EYE, BETWEEN 1880 AND 1900

REF: 1756

DESCRIPTION

Italian work from the late 19th century. This 1-scale model is made entirely of wax, including bones, and is impressive in its representation and its fine details. Some gaps and minor accidents. Blackened metal and wood.

Dimensions: 26 cm H, support base 8.5 x 8.5 cm
