PRODUCT DESCRIPTION

Very nice shape for this club armchair with its original velvet cushion. Leather patina highly enhanced by the time. The chaise longue has a reclining back with an embedded system and operable by a pulling handle. Beautiful time patina as well. An ancient cut in the leather has been, in the past, strengthened. Few buttons on the side of the padding are not original but they are fairly invisible.

Chaise Longue Dimensions: 160 cm L x 75 cm W, Seat Height 40 cm
